Type	Laser and Ink Jet printer
Hardness	Soft
Processing Type	Casting
Transparency	Opaque
Place of Origin	China

Features & Benefits

- Superb Material:** Made of outstanding vinyl material with high viscosity and stability, ensuring firm adhesion to almost all surfaces.
- Easy Application:** Tear-free, waterproof, won't fade over time. Easy to peel, stick, and trim neatly.
- Holographic Effect:** Colorful surface with holographic effects that change appearance according to light and angle.
- Printer Compatibility:** Works with most inkjet and laser printers, absorbs ink well for clear high-resolution printing.
- Fast Drying:** Waterproof properties develop quickly after printing.

Frequently Asked Questions

- Can I get a free sample?** Yes, we can provide a free sample in A4 sheet size or roll size of 215 mm × 15 meters.
- Can we customize size and design?** Yes, our base material has a maximum width of 1070 mm and can be cut to any size under this width. Any design is possible if the same pattern exists in our factory.
- What is your MOQ?** Minimum order quantity is 500 A4 sheets.
